  - C. Thankful sacrifice is done with a \_\_\_\_\_.
- II. Thanksgiving with \_\_\_\_\_. (Ps. 100)
- A. Thanksgiving includes joyfully \_\_\_\_\_.
  - B. Thanksgiving includes joyfully \_\_\_\_\_.
- III. Thanksgiving for His \_\_\_\_\_. (Ps. 136)
- A. 44 times in the OT it is stated that His “steadfast love endures forever.”
  - B. The redundancy shows the \_\_\_\_\_ nature of His love for us.
  - C. His love produces His \_\_\_\_\_. Our response is one of a \_\_\_\_\_.

## What does that mean to me?

---

We need to be faithfully \_\_\_\_\_ to God from a \_\_\_\_\_.

Thanksgiving includes \_\_\_\_\_ and our \_\_\_\_\_ to God.

God's love for \_\_\_\_\_ does not change! Neither should \_\_\_\_\_ thankfulness to God change!
